RE: Telecommunications Company Annual Reports

Dear Ms. Gordon:

In response to the Office of Regulatory Staff's July 17, 2009 *Petition for a Rule to Show Cause as to Why Certificates of Public Convenience and Necessity Should Not be Revoked*, Business Discount Plan, Inc. and U.S. Telecom Long Distance, Inc., by their regulatory consultant, hereby provide copies of the Companies' Telecommunications Annual Reports for the year ended 2008 as evidence that the Companies have complied with the Commission's Annual Report filing requirements. The Companies formally submitted their respective reports with the Commission and Office of Regulatory Staff on July 24, 2009.

The Companies respectfully request that in light of their submission, that their names be stricken from the listing of delinquent companies, and that they be excluded from any subsequent Commission enforcement action, accordingly. Both Companies have taken steps to ensure timely submission of future annual reports.

Thank you for your kind attention to this matter. Questions may be directed to the undersigned.

Sincerely,
